Payment – Being current with payment is required BEFORE your child gets in the water. If payment is not made by the 2nd class, the credit card we have on file for you will be charged automatically. If you wish to pay week by week instead of monthly, the class fee is \$25 each class but this, too, must be paid BEFORE your child gets in the water. Failure to keep your payment current may result in losing your preferred time and day.

Class size – While a class may start out smaller, there can be as many as 4 students per class. Learning continues through watching and listening to other students even when it is not your child's turn.

Timeliness - The swim lesson appointment is the time the lesson begins on the same day, at the same time 4 weeks in a row. Classes start and end on time. Come properly dressed to be in the water when class begins.

Make-up Policy - To maintain the integrity of our classes regarding content, size, consistency, and progression, we cannot offer make-ups or refunds for missed lessons with less than 24 hours notice. If you are a no-show or no-call, your lesson and money are lost. If notice is given with less than 24 hours, a doctor's note will be required to qualify for and schedule a make-up lesson. We offer ONE make-up lesson per month per child. Extraordinary and extended illnesses will be handled case-by-case. Be sure to contact Swim-Smart @ Harry's either by calling and if no-phone answers, leaving a message or by sending an email. Contact information is above.

Swim Pants Policy - Fecal contamination in or around the pool poses a health risk to all persons using the facility. When an accident occurs, we are required to shut down to properly clean and sanitize the pool and reduce the spread of germs and bacteria. For the health and safety of our swimmers and teachers, children **UNDER 4 YEARS of age must wear reusable swim pants**. Disposable swim diapers are **not acceptable** and **not permitted** in the pool. Harry's Dive Shop stocks a selection of reusable swim pants for sale. These can be worn under the child's swimsuit or instead of a swimsuit. Purchase the size that fits your child, not one to grown into. The adjustable elastic legs must fit well enough to contain an accident.

Changing – Changing your child's clothing is to be done **ONLY** in the designated changing areas. We cannot be responsible for the possibility of your child's nakedness being recorded on someone's camera or phone. Please exercise modesty and discretion with your child(ren).

Behavior – Unacceptable student acts requiring disciplinary measures include but are not limited to: biting, spitting, slapping, hitting and cursing. When a child exhibits any of these behavioral acts, the child will sit out for the remainder of that one class. A 2nd event is cause for complete dismissal without refund.

Uncontrollable Closures Policy - Swim-Smart @ Harry's makes every effort to remain open and operational in all weather and under all circumstances. On the rare occasion that a situation outside of our control does occur, we will extend a credit to all students whose classes had to be canceled.

Staying on premise- parents or guardian of the swimmer, are required to stay on Harry's Dive Shop property for the entire duration of the child's lesson.
